

WEEK 10

Hour	Monday	Tuesday	Wednesday	Thursday	Friday	Hour
	03/05/2018	03/06/2018	03/07/2018	03/08/2018	03/09/2018	
14:00-14:30	<u>R. Guanche</u>	<u>A. Ferro</u>	<u>M. Marcos - N. Iriondo</u> Wave to wire control	<u>A. Babarit</u> Marine renewable energy wave energy converters	<u>A. Babarit</u> Marine renewable energy wave energy converters	14:00-14:30
14:30-15:00						14:30-15:00
15:00-15:30						15:00-15:30
15:30-16:00						15:30-16:00
16:00-16:30	break	break	break			16:00-16:30
16:30-17:00	Enviromental Conditions for Marine Energy Arrays	The international environment, overall views on the international business	<u>G. Esnaola</u> Ocean Wave energy and Offshore wind energy assesment	break	break	16:30-17:00
17:00-17:30				17:00-17:30		
17:30-18:00				17:30-18:00		
18:00-18:30	break	break	break	<u>M. Marcos - N. Iriondo</u> Wave to wire control	<u>L. Vega</u> Theoretical and numerical aspects in fluid dynamics and turbulent flow	18:00-18:30
18:30-19:00	Environmental Loads: Numerical Models. Standards for Marine Renewables	The international environment, overall views on the international business	<u>G. Esnaola</u> Ocean Wave energy and Offshore wind energy assesment			18:30-19:00
19:00-19:30						19:00-19:30
19:30-20:00						19:30-20:00
